Dennis and Skeeter Hickman **(Contributor)**

Honors

Two of the most active and valuable founding members of the Godwin Athletic Association!

Besides contributing 4 great children who were active and leaders in athletics, drama and all facets of Godwin life, the Hickmans played a vital role in building the Godwin Tradition of caring and excellence which we still enjoy!

They organized many fundraising efforts like our spaghetti dinners, ad sales, ticket sales.

They graciously provided team dinners and for athletics and drama.

They were the leaders in designing and outfitting our concession stand at the stadium, donating much of the equipment from their own restaurants.

Simply put, we would not have gotten off to the positive start we did in the early years of Godwin's history without supporters like Skeeter and Dennis Hickman who did what they did purely because they loved doing it for us!
